Why Digital Learning Matters in Inclusion ?

BOOK CREATOR

Inclusive education isn't just about accommodation. It's about transformation.

When ***digital tools adapt to diverse needs***,

- *they unlock engagement*
- *build confidence*
- *drive academic success for all students.*

Every learner deserves the opportunity to express themselves and share their unique perspective with the world. ^{WHO}

What Makes Book Creator an Inclusive app?

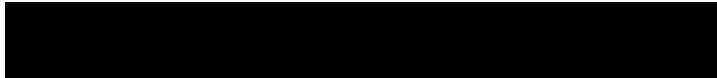

BOOK CREATOR

Book Creator is the only creation **tool designed to adapt to the diverse needs** of students with disabilities—empowering them to show what they know, in the way that works best for them.

Book Creator was designed with **inclusivity in mind**: it allows multiple ways to express and demonstrate learning — text, audio, drawing, and video — **giving a voice to students with diverse styles or needs.**

A free app released in 2011 by a software engineer who

BOOK CREATOR

created the app for his dyslexic son that was having difficulties to learn at school.

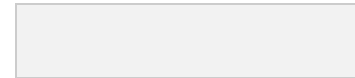

The potential of the application quickly became widespread and is now used all over the world.

Worldwide, over 50 million books have been made with Book Creator. (1.5 million

per month)
